METAWORLD - (\$METAWORLD) is the native cryptocurrency of the METAWORLD launchpad platform that is in development. METAWORLD will offer its holders Fair / Safe / Community driven decentralized metaverse themed project launches on multiple blockchains.

METAWORLD will be launching next generation metaverse themed projects with full force promotion on every one of them to deliver maximum gains for all \$METAWORLD holders.

\$METAWORLD token holders will gain early access to all future project launches from METAWORLD first before anyone else. There will be a \$METAWORLD Tiered System in place to insure holders gain fair access to how much \$METAWORLD tokens they hold.
